Equipment	Numbers	Total installed capacity (kg./day)																																																															
Incinerator (150 kgs/hr)	1	3600 kg./Day	692 Kgs/Day																																																														
Plasma Pyrolysis																																																																	
Autoclave (220 lts/cycle)	1	5280 Lts/Day	273 kg./day																																																														
Hydroclave			-																																																														
Microwave			-																																																														
Shredder (100 kgs/hr)	1	2400 Kgs/Day	138 Kgs/day																																																														
Sharps encapsulation or concrete pit	3		18 Kgs/day																																																														
Deep burial pits	0	-	-																																																														
Any other equipment	-	-	-																																																														
Effluent Treatment Plant	1	4.0 KLD																																																															
Sub-total			1121 Kgs./day																																																														
Incineration	Ash: Disposed to impermeable ash pits Quantity Disposed by: 35 Kg./Day																																																																
Plastics: Sold to authorised recycler Quantity: Disposed by: 237 kg./day																																																																	
Sharps: sharps pits Quantity: Disposed by: 12 kg./day																																																																	
ETP Sludge: Disposed to impermeable ash pits Quantity Disposed by: 710 kg / yr																																																																	

Total Number of transportation vehicles used for collection of Bio-medical Waste on daily basis by the				4
List of Health Care Facilities not having membership with the Common Bio-Medical Waste Treatment				12
Number of trainings organised by the Common Bio-Medical Waste Treatment Facility Operators:				85
Number of Accidents reported by the Common Bio Medical Waste Treatment Facilities:"				Nil
